

Medicinal Herbs for Commerce

Field Day

Join Ricky Smith, a participating grower in the NC Medicinal Herbs project, along with Jeanine Davis and Jackie Greenfield from NC State University, for an informative look at Echinacea, a potential new crop for NC, for the expanding natural products industry. Ricky Smith and Rickey Williams, Caswell Co. Ext. Agent, will also discuss their field trials of five varieties of raspberries, another Specialty Crops Program project.

Echinacea (Echinacea spp.)

Raspberry (Rubus spp.)

Tuesday, August 17
10:00 a.m.

Caswell County

North Carolina State University
Herb project funded by:
